

You know capital letter A.

This is its friend, small letter a.

Say its name with me!

Let's learn how to write small letter a. Trace the dots below.

Tracing practice for the letter 'a' on four sets of handwriting lines. Each set consists of a top solid line, a middle dashed line, and a bottom solid line. The first two rows contain ten dotted circles each. The last two rows contain ten dotted lowercase 'a's each.

You know capital letter B.

This is its friend, small letter b.

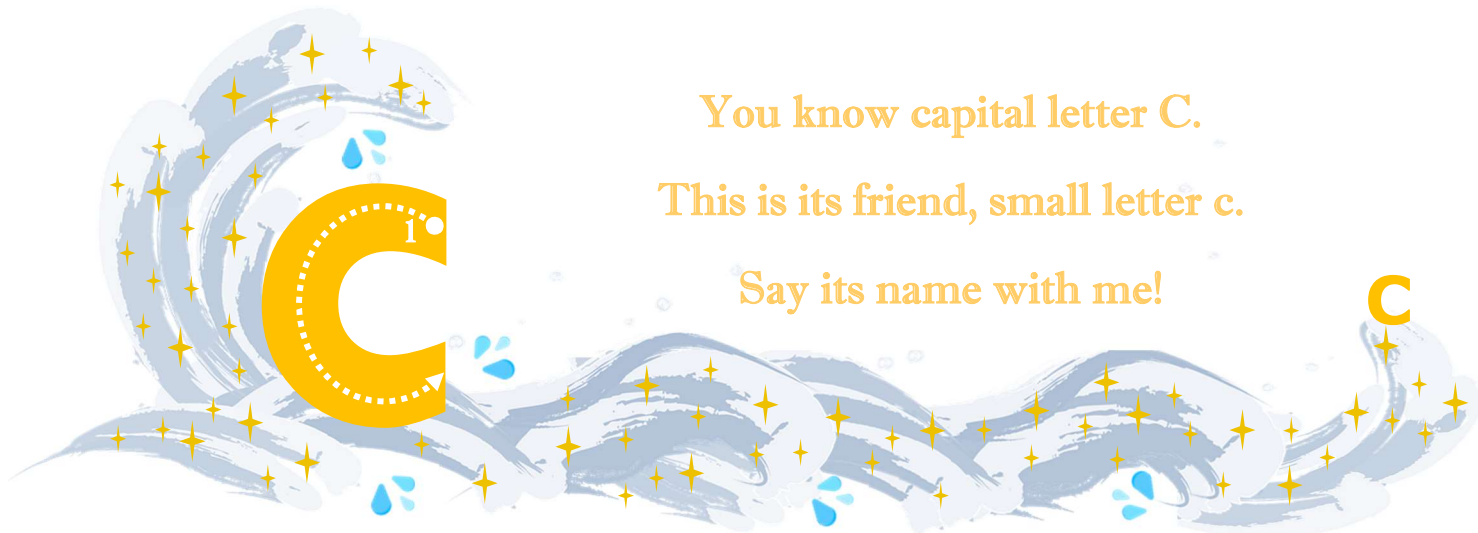

Say its name with me!

**B**

Let's learn how to write small letter b. Trace the dots below.

Tracing practice for the letter 'b' on ruled lines. The first row contains ten vertical dashed lines. The second row contains ten dashed lowercase 'b's. The third row contains ten dashed lowercase 'b's. The fourth row contains ten dashed lowercase 'b's. The fifth row contains ten dashed lowercase 'b's. The sixth row contains ten dashed lowercase 'b's.

You know capital letter C.

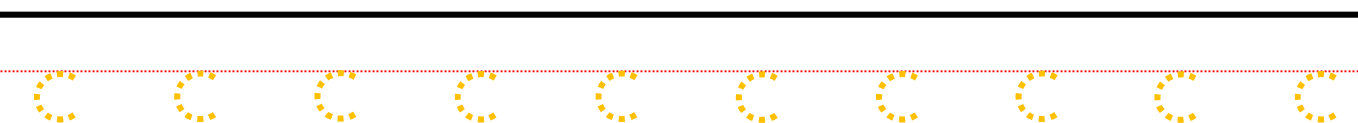

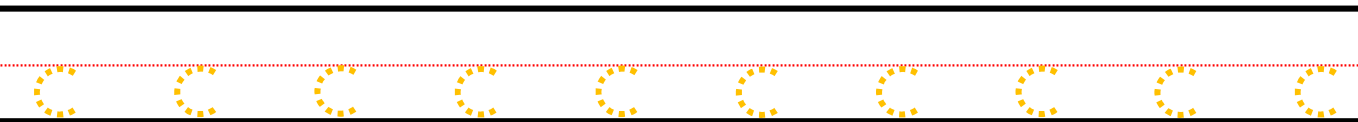

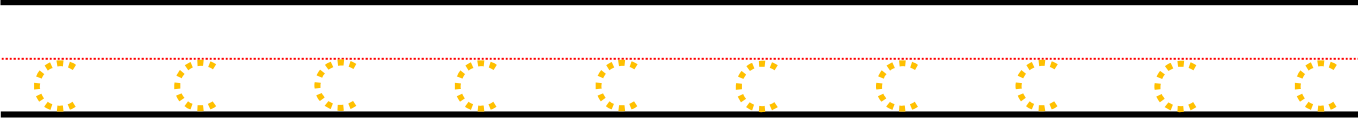

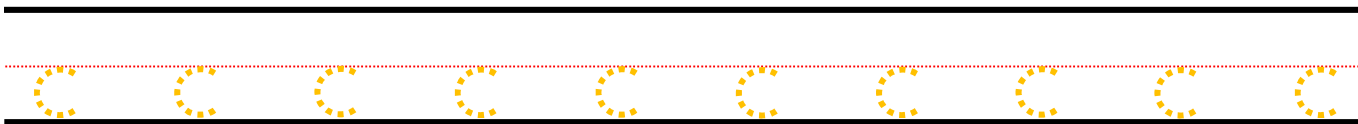

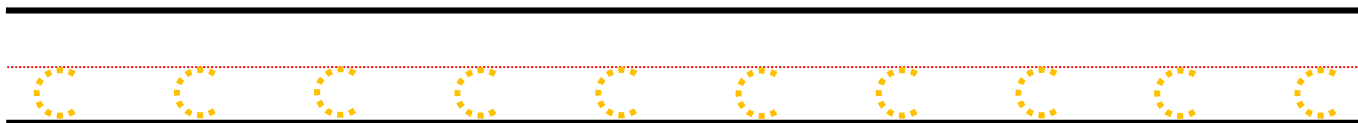

This is its friend, small letter c.

Say its name with me!

C

Let's learn how to write small letter c. Trace the dots below.

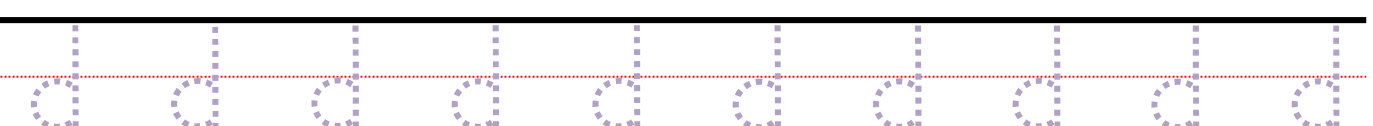

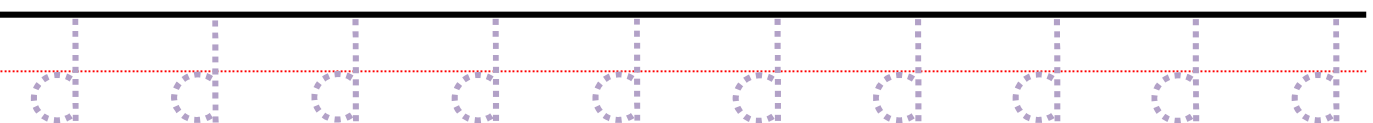

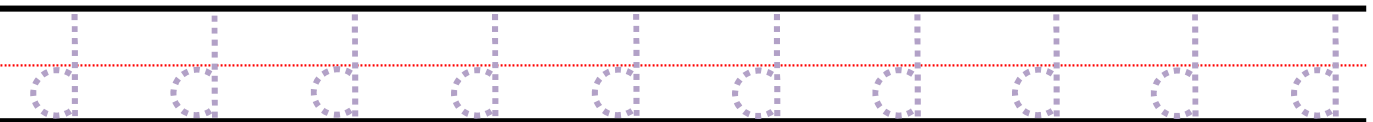

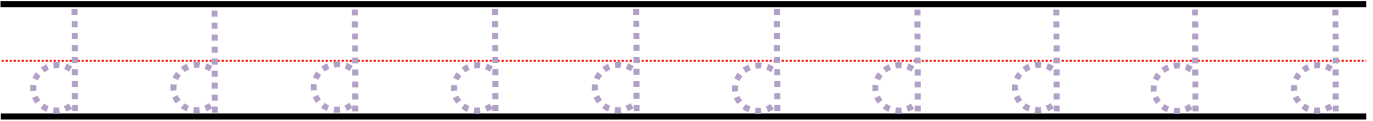

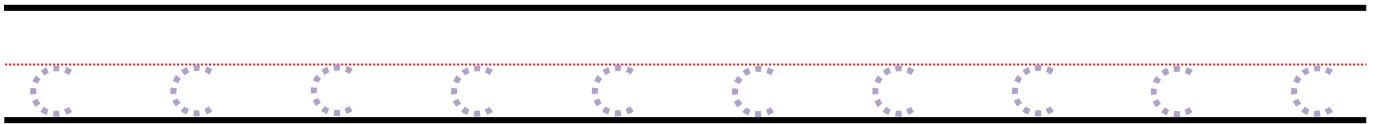

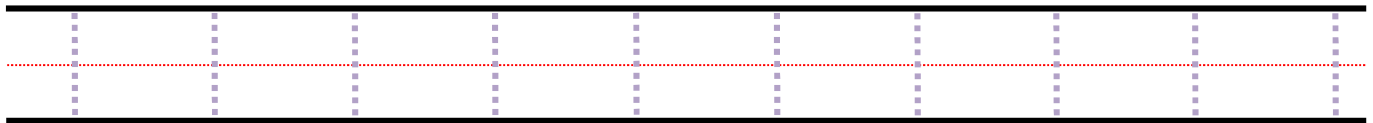

You know capital letter D.

This is its friend, small letter d.

Say its name with me!

Let's learn how to write small letter d. Trace the dots below.

You know capital letter E.

This is its friend, small letter e.

Say its name with me!

E

Let's learn how to write small letter e. Trace the dots below.

Tracing practice area consisting of six rows of handwriting lines. Each row has a solid top line, a dashed middle line, and a solid bottom line. The first row contains ten horizontal dotted lines. The second row contains ten dotted lowercase 'e' characters. The third row contains ten dotted lowercase 'e' characters. The fourth row contains ten dotted lowercase 'e' characters. The fifth row contains ten dotted lowercase 'e' characters. The sixth row contains ten dotted lowercase 'e' characters.

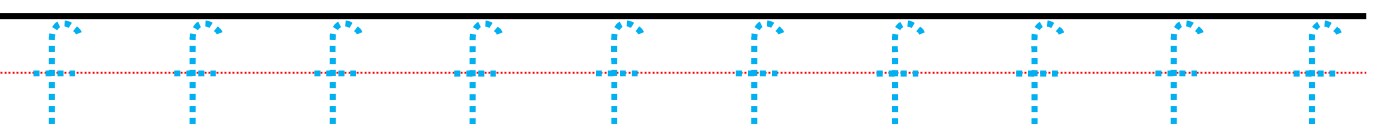

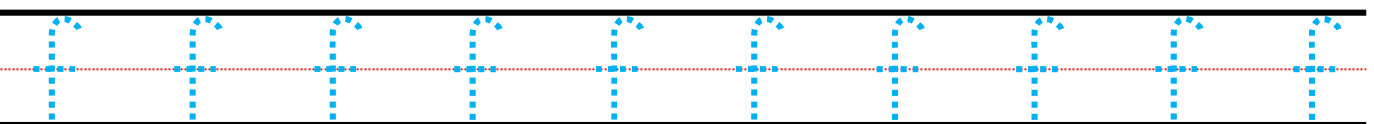

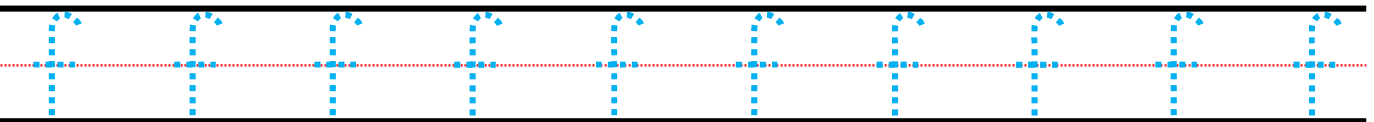

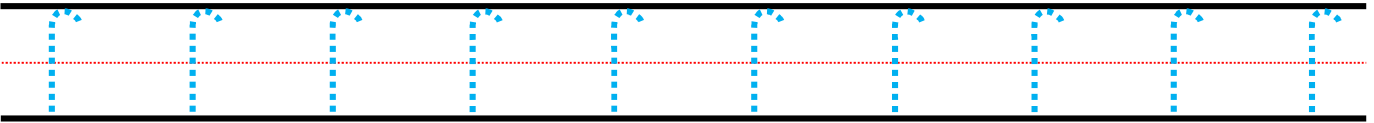

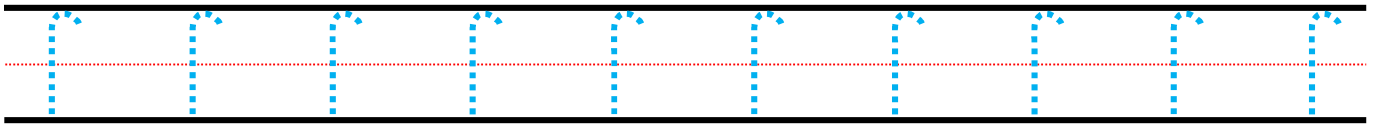

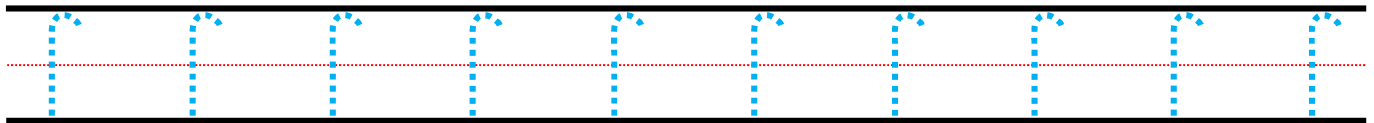

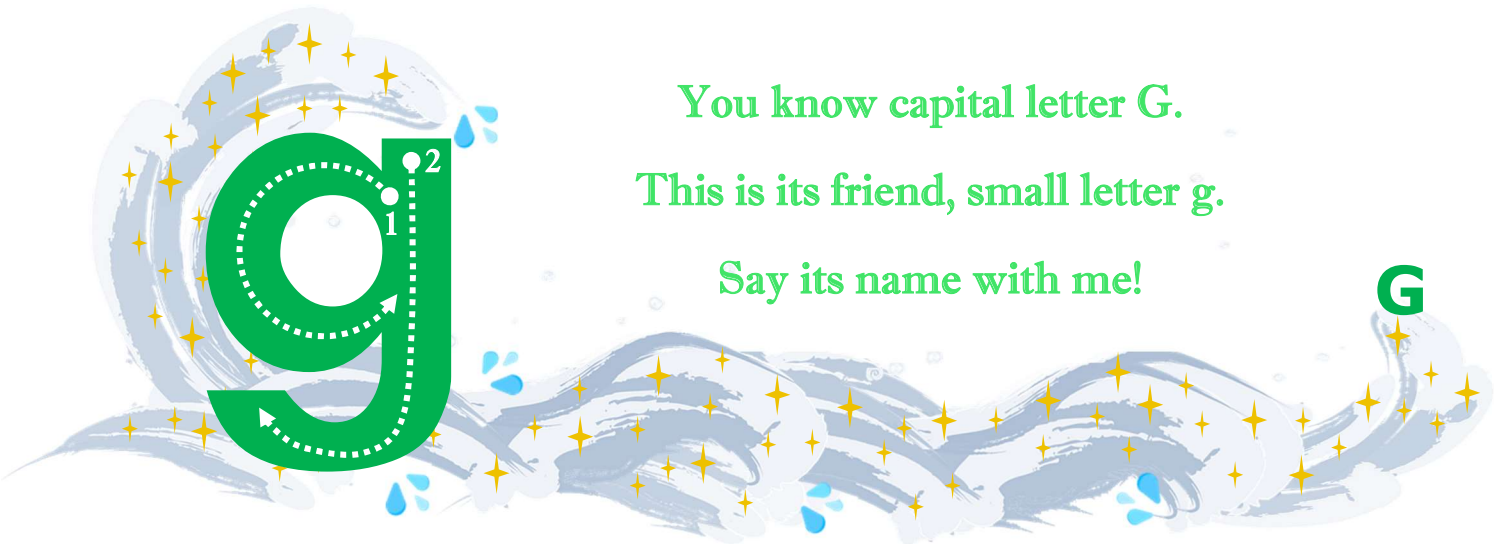

You know capital letter F.  
This is its friend, small letter f.  
Say its name with me!

F

Let's learn how to write small letter f. Trace the dots below.

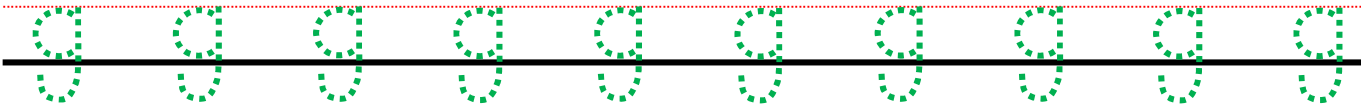

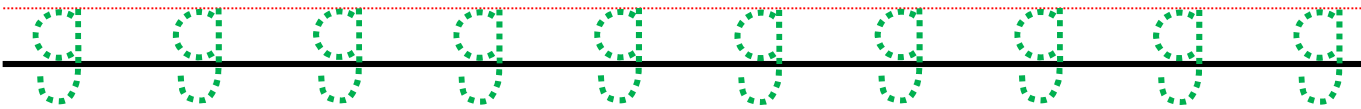

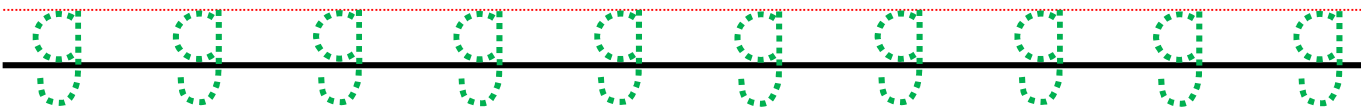

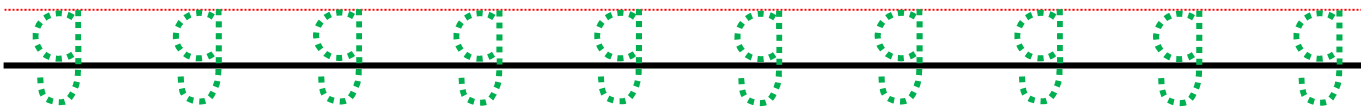

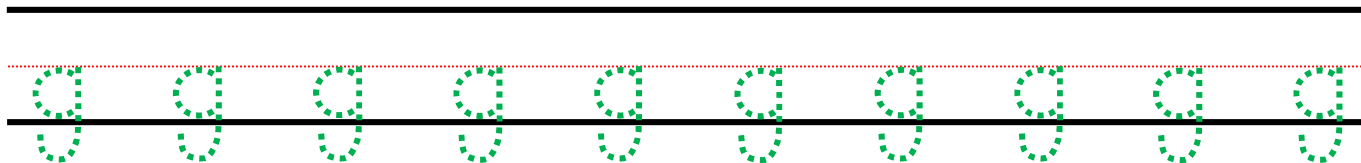

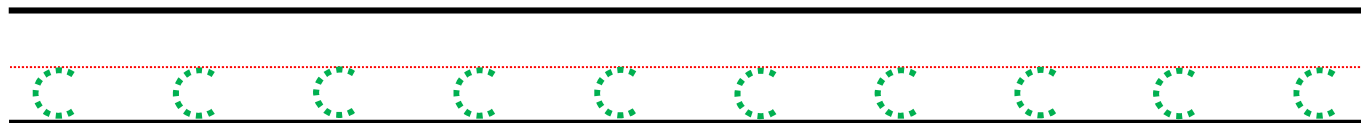

You know capital letter G.

This is its friend, small letter g.

Say its name with me!

Let's learn how to write small letter g. Trace the dots below.

You know capital letter H.

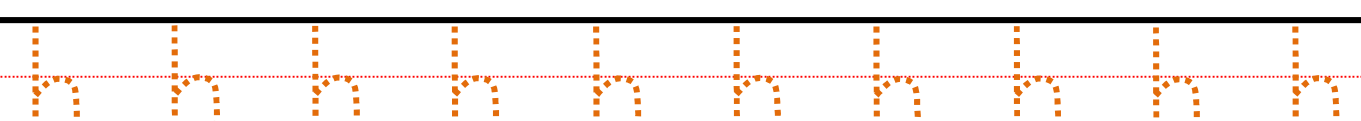

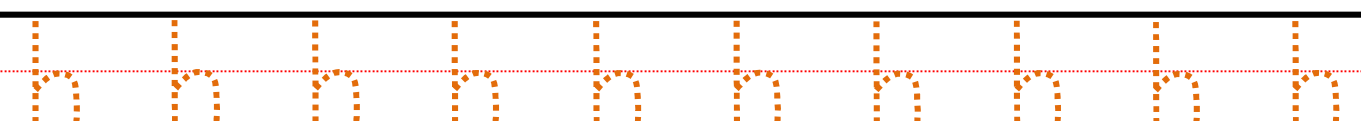

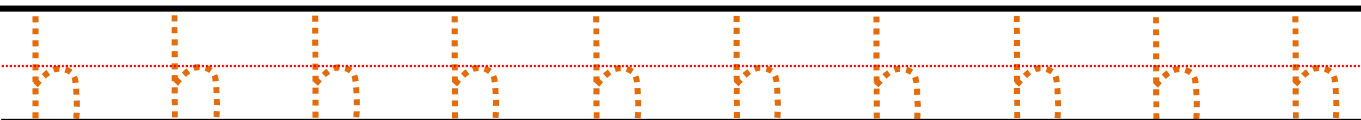

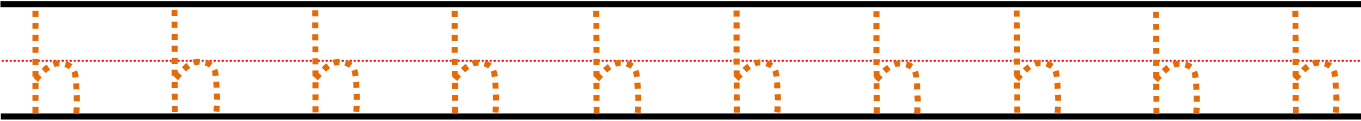

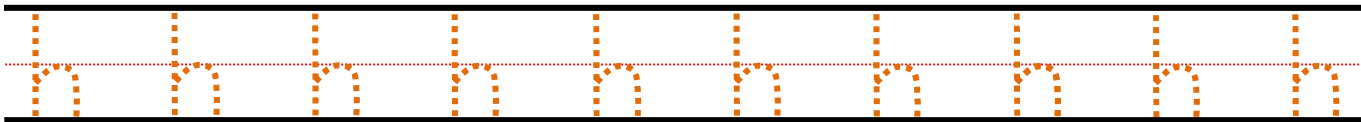

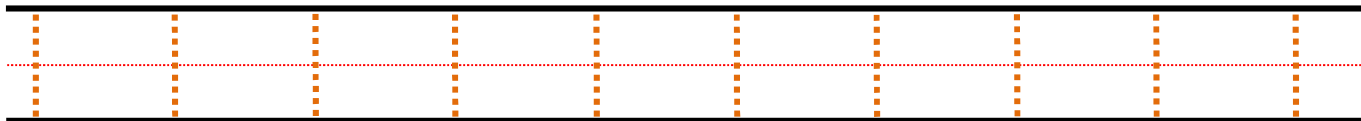

This is its friend, small letter h.

Say its name with me!

H

Let's learn how to write small letter h. Trace the dots below.

You know capital letter I.

This is its friend, small letter i.

Say its name with me!

I

Let's learn how to write small letter i. Trace the dots below.

Tracing practice lines for the letter 'i'. Each line consists of a solid top line, a dashed middle line, and a solid bottom line. The first line contains 12 vertical dashed lines. The following seven lines each contain 12 small red dots, one on each dashed middle line, intended for tracing the letter 'i'.

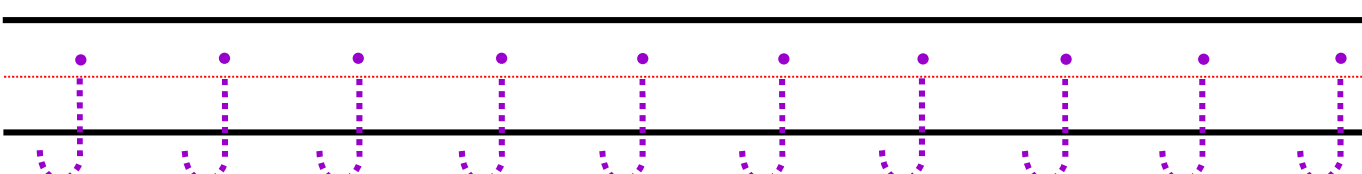

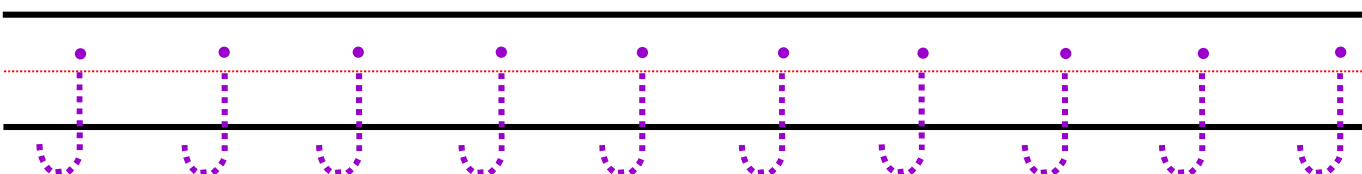

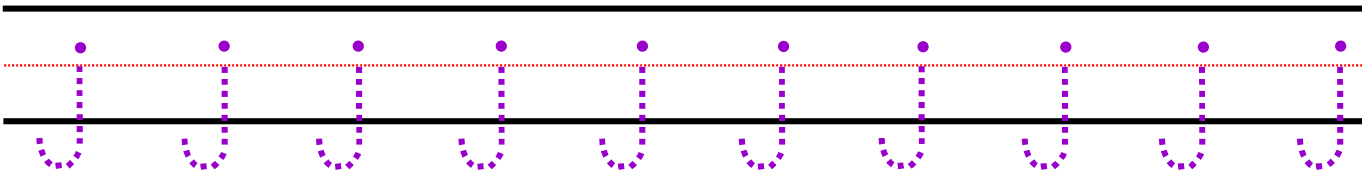

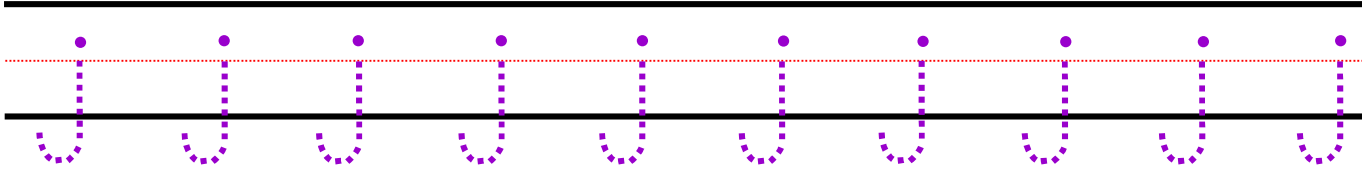

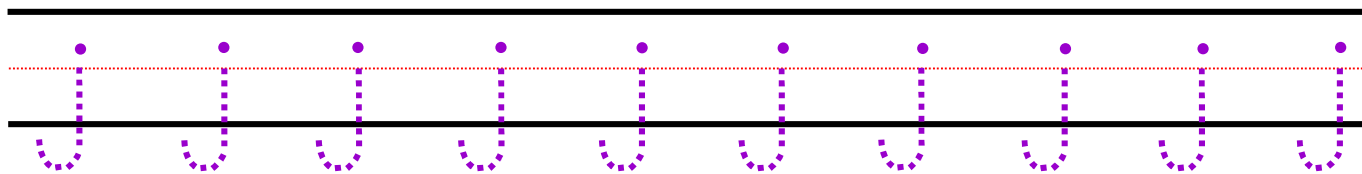

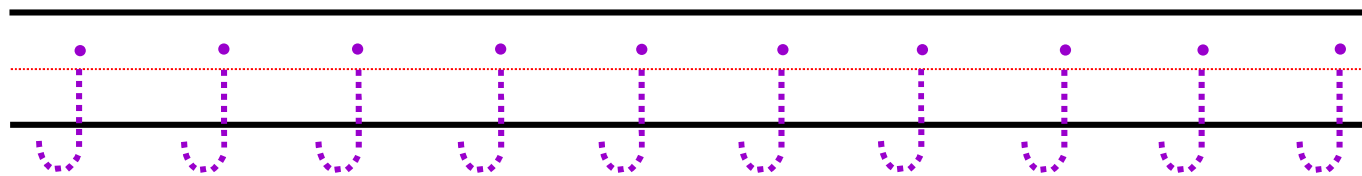

You know capital letter J.

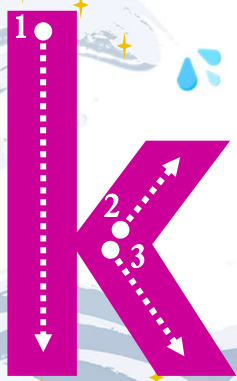

This is its friend, small letter j.

Say its name with me!

Let's learn how to write small letter j. Trace the dots below.

You know capital letter K.

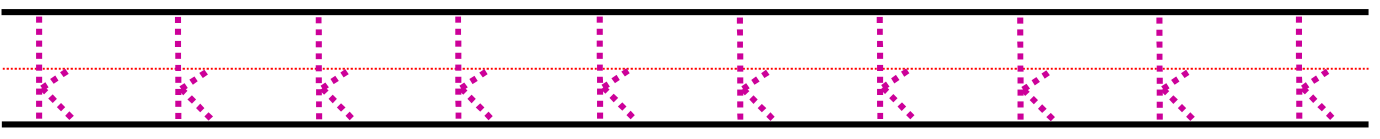

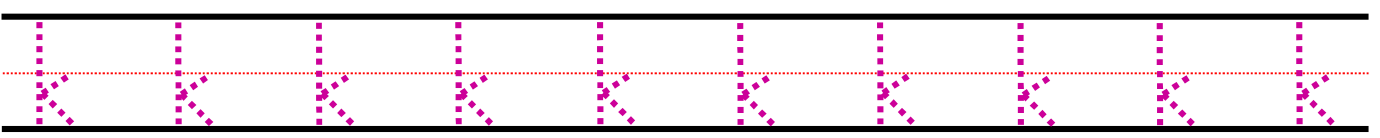

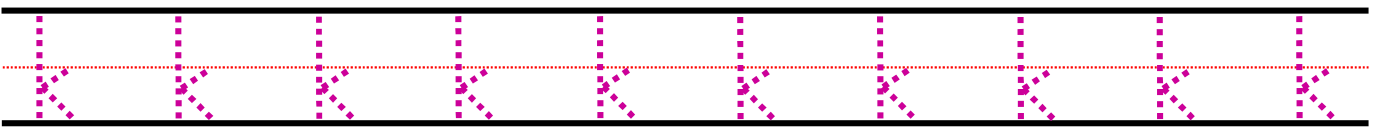

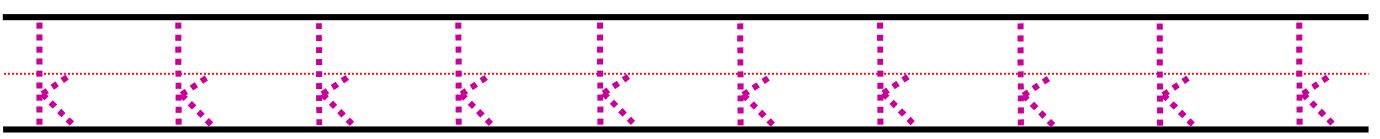

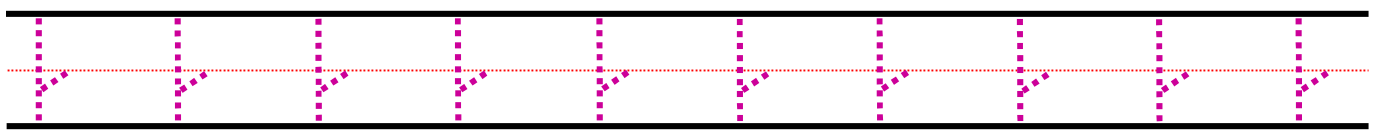

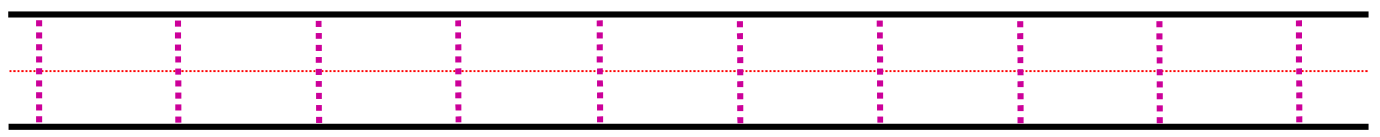

This is its friend, small letter k.

Say its name with me!

K

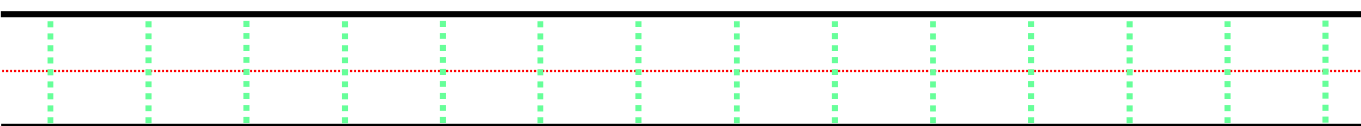

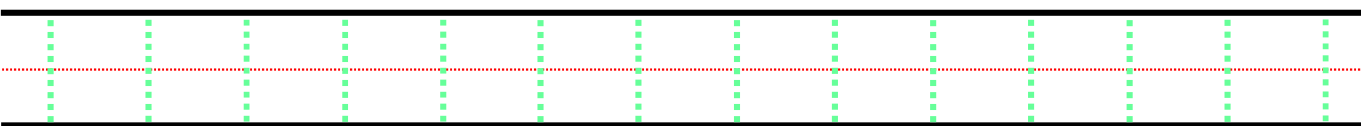

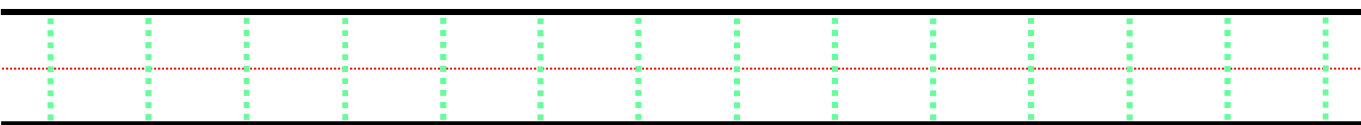

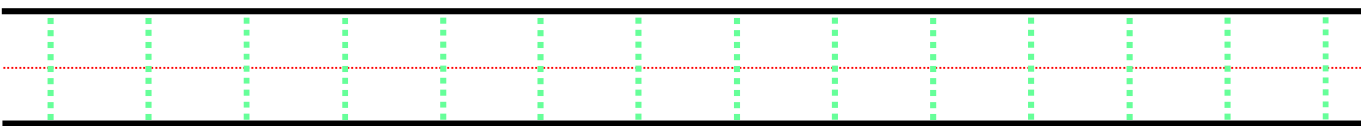

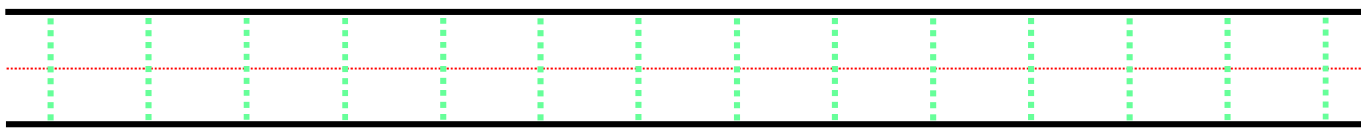

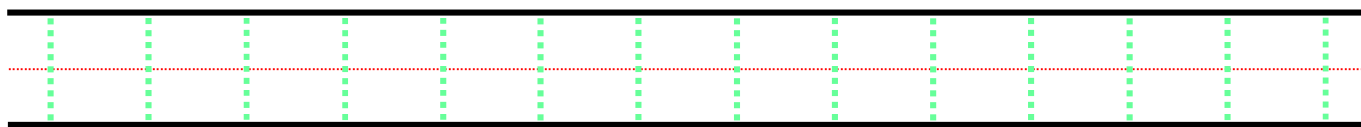

Let's learn how to write small letter k. Trace the dots below.

You know capital letter L.  
This is its friend, small letter l.  
Say its name with me!

 Let's learn how to write small letter l. Trace the dots below.

You know capital letter M.

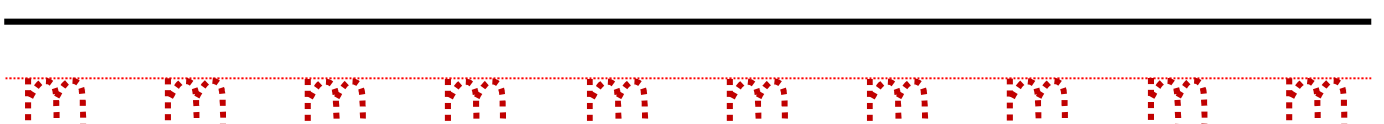

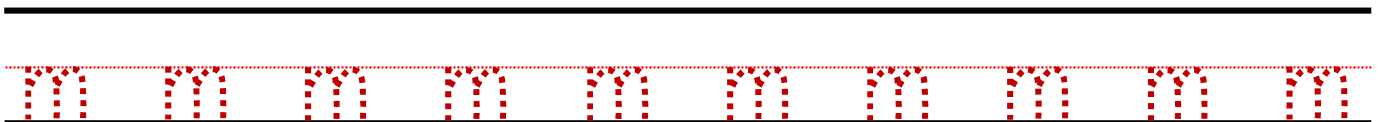

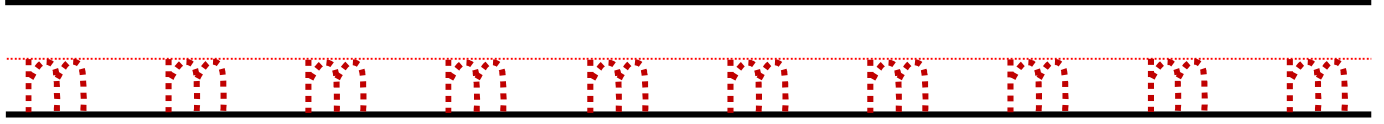

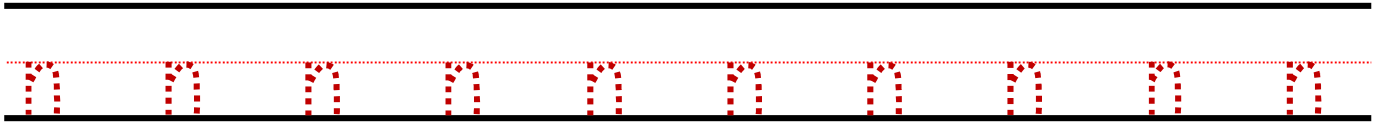

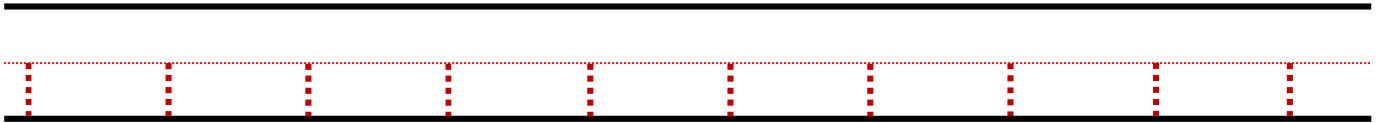

This is its friend, small letter m.

Say its name with me!

**M**

Let's learn how to write small letter m. Trace the dots below.

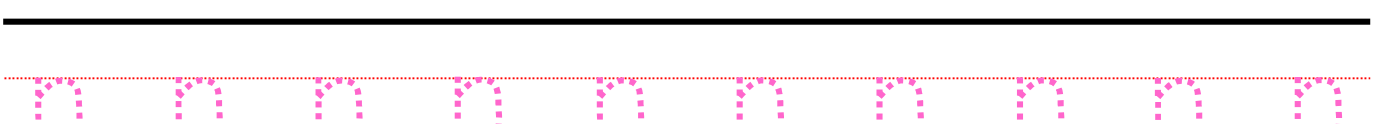

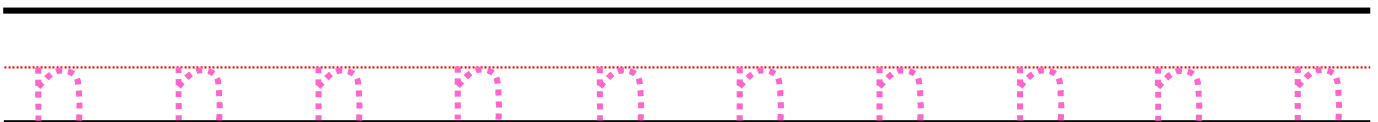

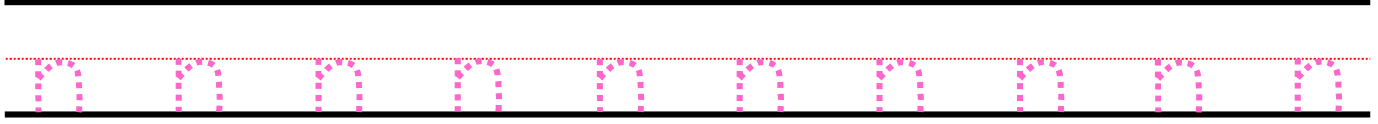

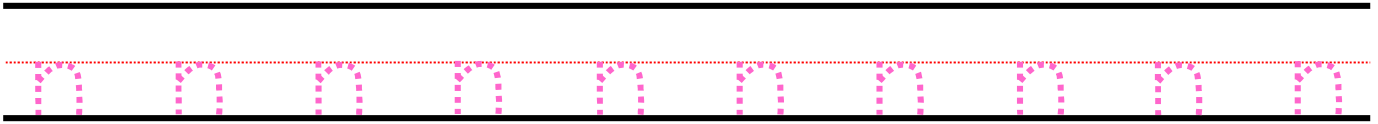

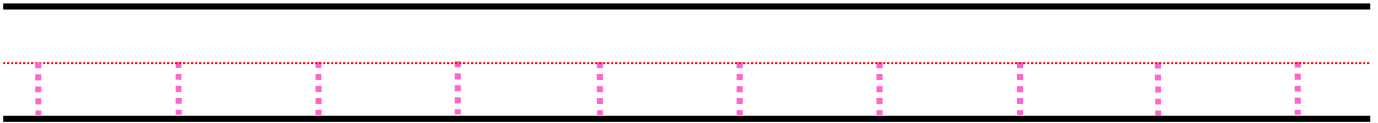

You know capital letter N.

This is its friend, small letter n.

Say its name with me!

Let's learn how to write small letter n. Trace the dots below.

You know capital letter O.

This is its friend, small letter o.

Say its name with me!

Let's learn how to write small letter o. Trace the dots below.

Tracing practice for the lowercase letter 'o'. The page contains eight rows of handwriting lines. Each row consists of a solid top line, a dashed middle line, and a solid bottom line. Ten dotted lowercase 'o's are placed on each row for tracing.

You know capital letter P.

This is its friend, small letter p.

Say its name with me!

Let's learn how to write small letter p. Trace the dots below.

Tracing practice for the letter 'p' on ruled lines. The first row consists of 10 vertical dashed lines. The following four rows each consist of 10 dotted lowercase 'p's for tracing, positioned between the top and middle lines of the ruled set.

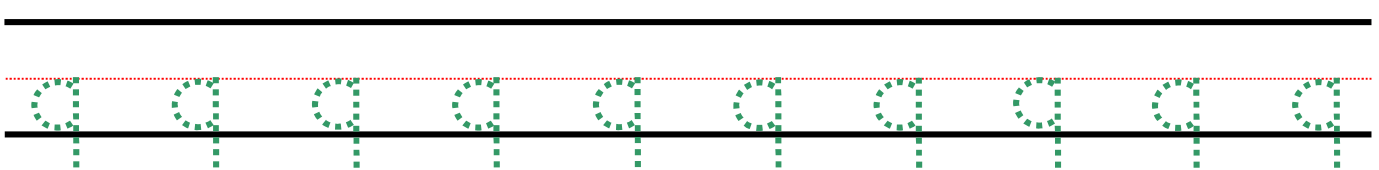

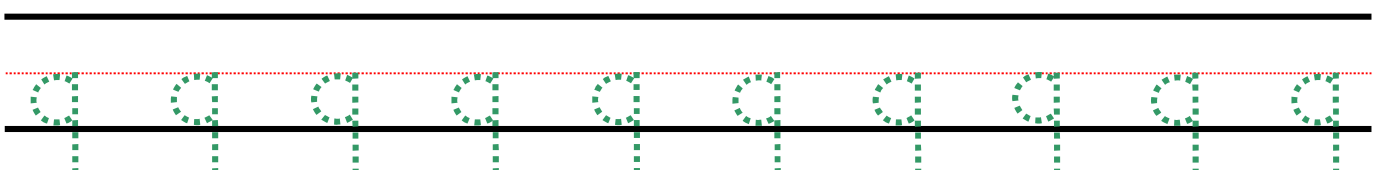

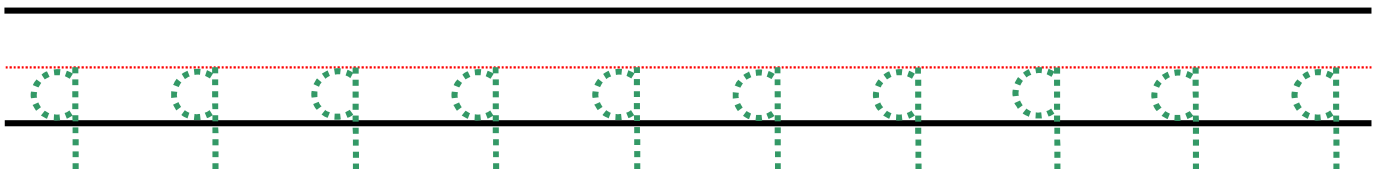

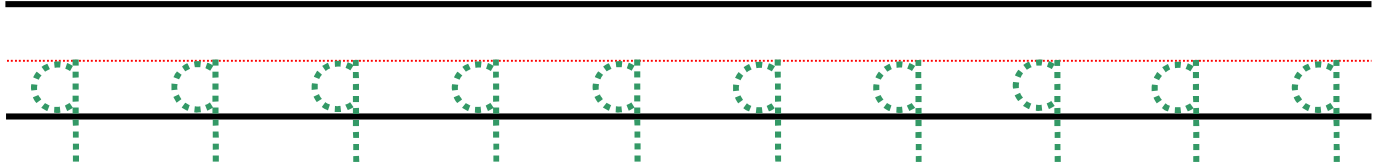

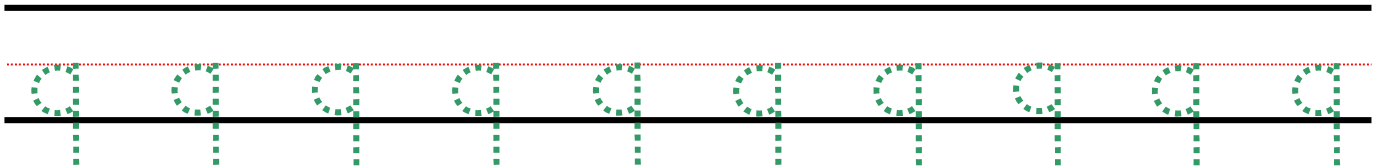

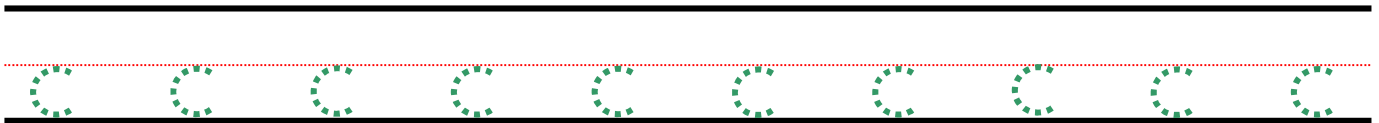

You know capital letter Q.

This is its friend, small letter q.

Say its name with me!

Let's learn how to write small letter q. Trace the dots below.

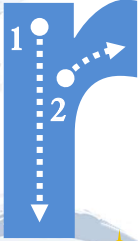

You know capital letter R.

This is its friend, small letter r.

Say its name with me!

R

Let's learn how to write small letter r. Trace the dots below.

Tracing practice lines for the letter 'r'. Each line consists of a solid top line, a dashed middle line, and a solid bottom line. The first line contains vertical dashed lines. The following four lines each contain ten dashed lowercase 'r' characters for tracing.

You know capital letter S.

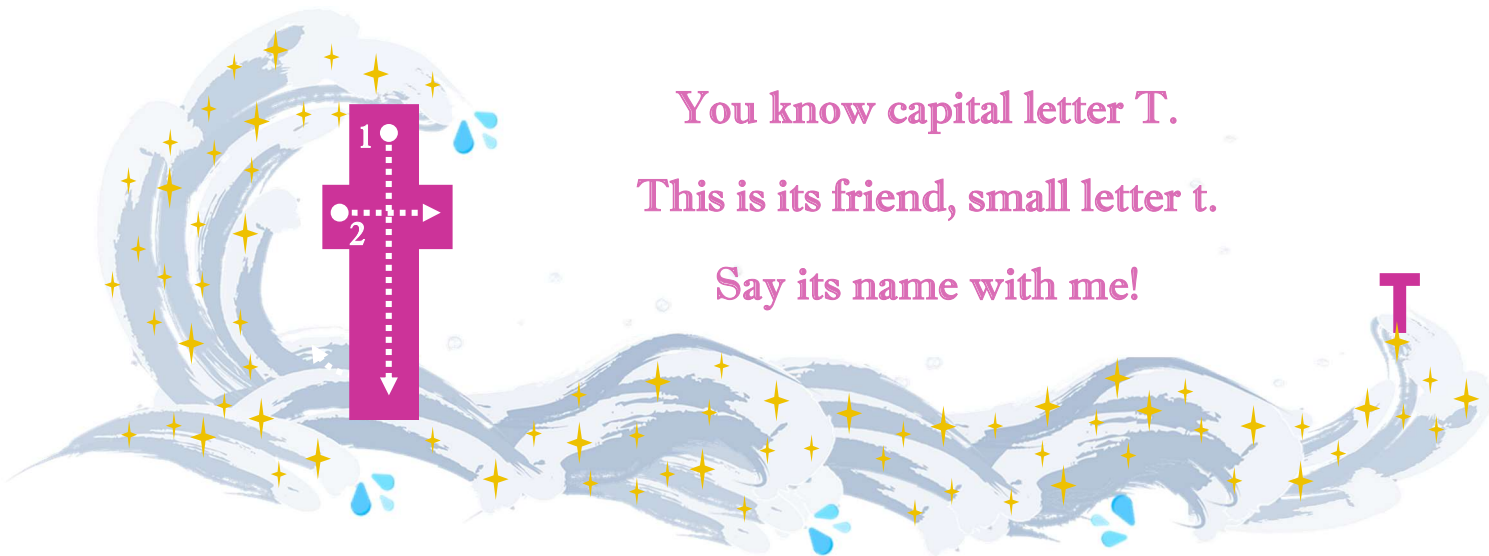

This is its friend, small letter s.

Say its name with me!

Let's learn how to write small letter s. Trace the dots below.

Tracing practice area consisting of eight rows of handwriting lines. Each row is defined by a solid top line, a dashed middle line, and a solid bottom line. The first row contains ten dotted lowercase 's' characters for tracing. The remaining seven rows are blank for independent practice.

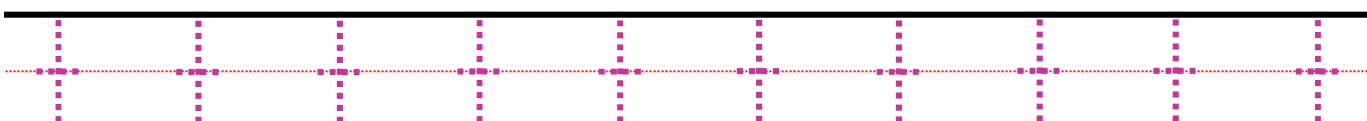

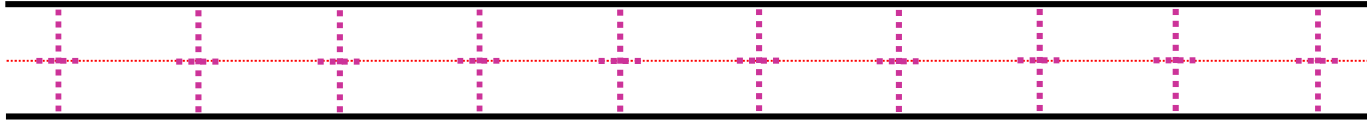

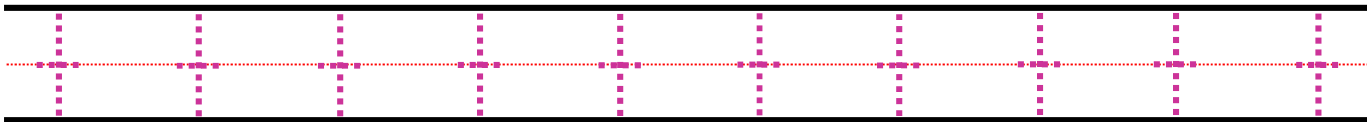

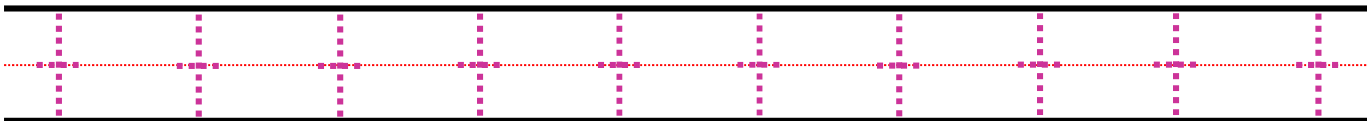

You know capital letter T.

This is its friend, small letter t.

Say its name with me!

Let's learn how to write small letter t. Trace the dots below.

You know capital letter U.

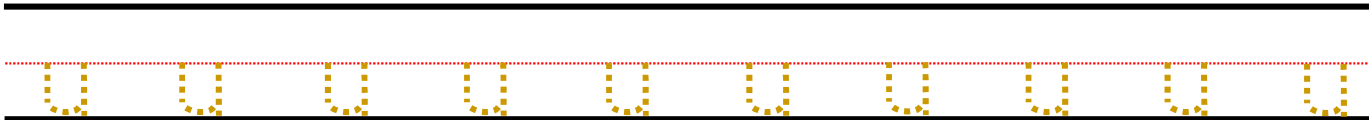

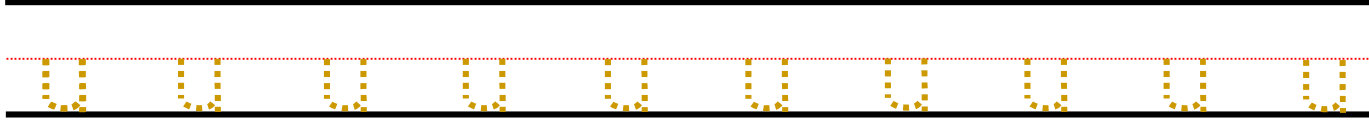

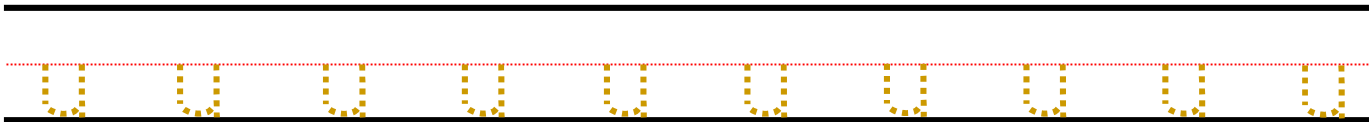

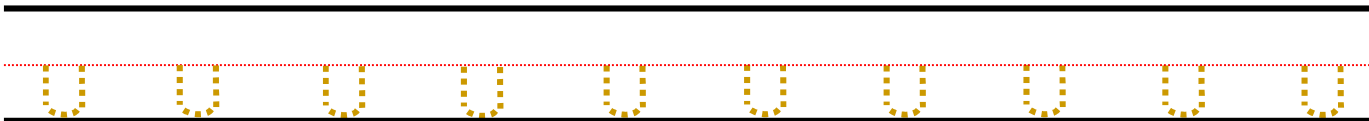

This is its friend, small letter u.

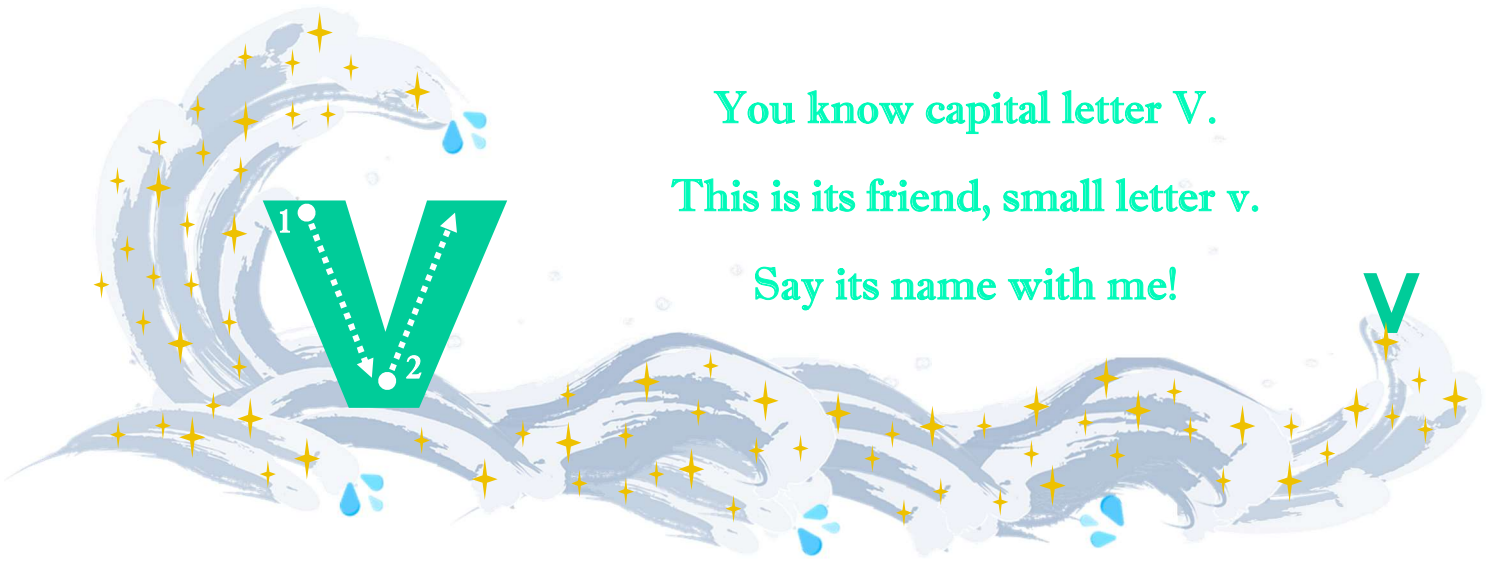

Say its name with me!

U

Let's learn how to write small letter u. Trace the dots below.

You know capital letter V.

This is its friend, small letter v.

Say its name with me!

Let's learn how to write small letter v. Trace the dots below.

Tracing practice area consisting of five rows of handwriting lines. Each row has a solid top line, a dashed red middle line, and a solid bottom line. The first row contains ten dashed green lowercase 'v' characters for tracing. The second, third, fourth, and fifth rows are blank for independent practice.

You know capital letter W.

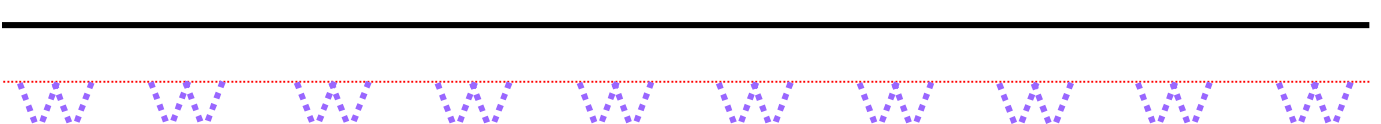

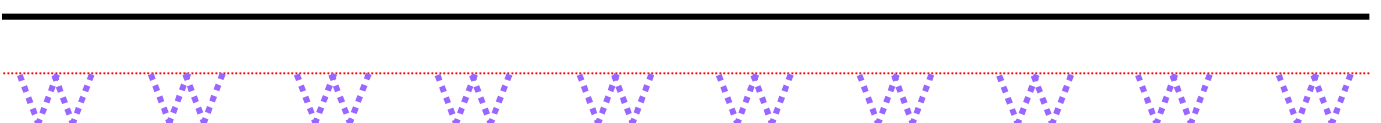

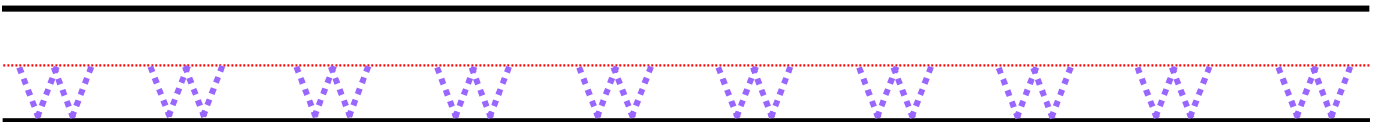

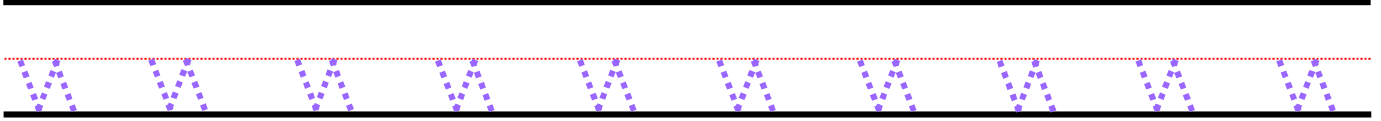

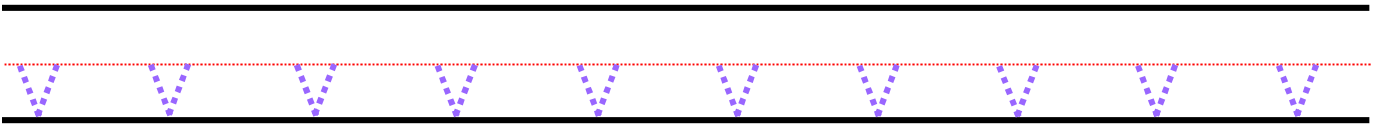

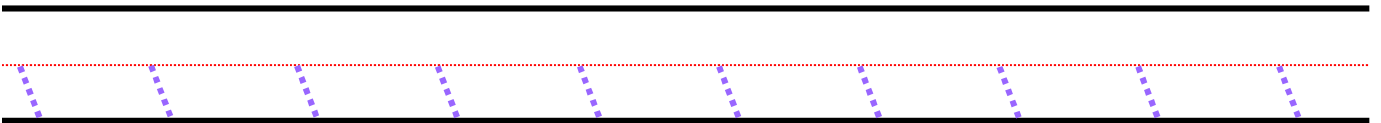

This is its friend, small letter w.

Say its name with me!

W

Let's learn how to write small letter w. Trace the dots below.

You know capital letter X.

This is its friend, small letter x.

Say its name with me!

X

Let's learn how to write small letter x. Trace the dots below.

Tracing practice lines for the letter 'x'. Each line consists of a solid top line, a dotted middle line, and a solid bottom line. The first line contains a series of red dotted 'x' characters. The following four lines each contain a series of red dotted 'x' characters for tracing. The final line is blank for independent practice.

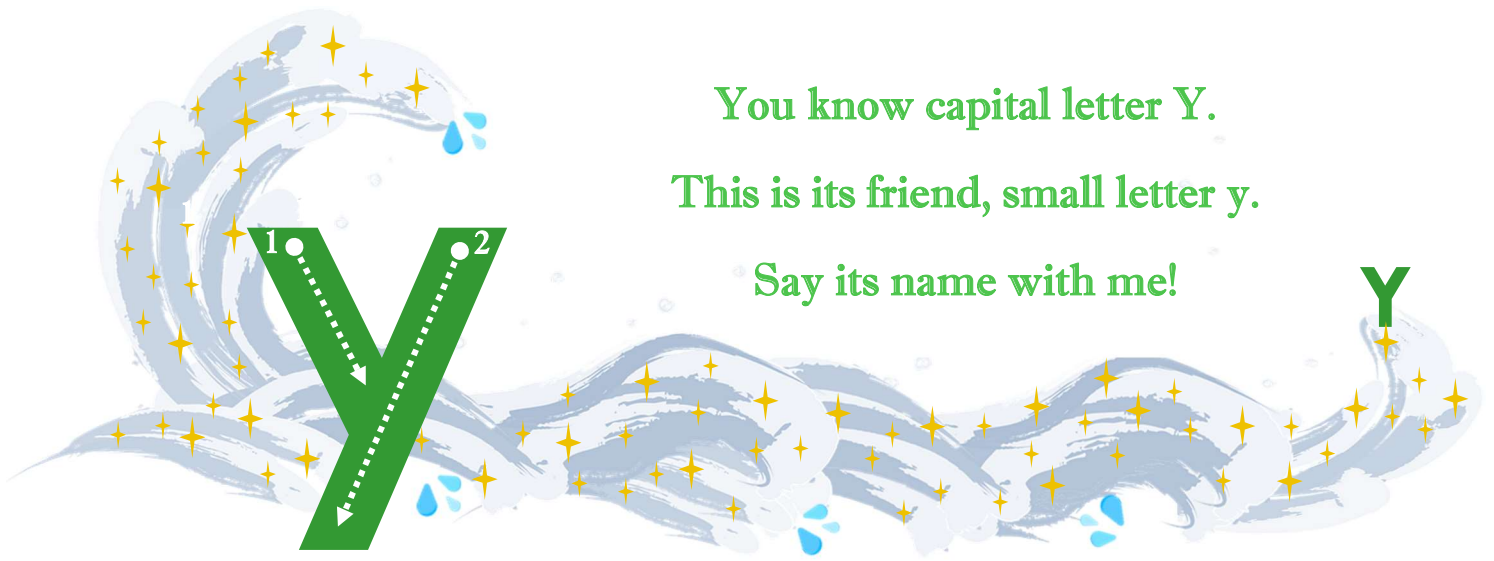

You know capital letter Y.

This is its friend, small letter y.

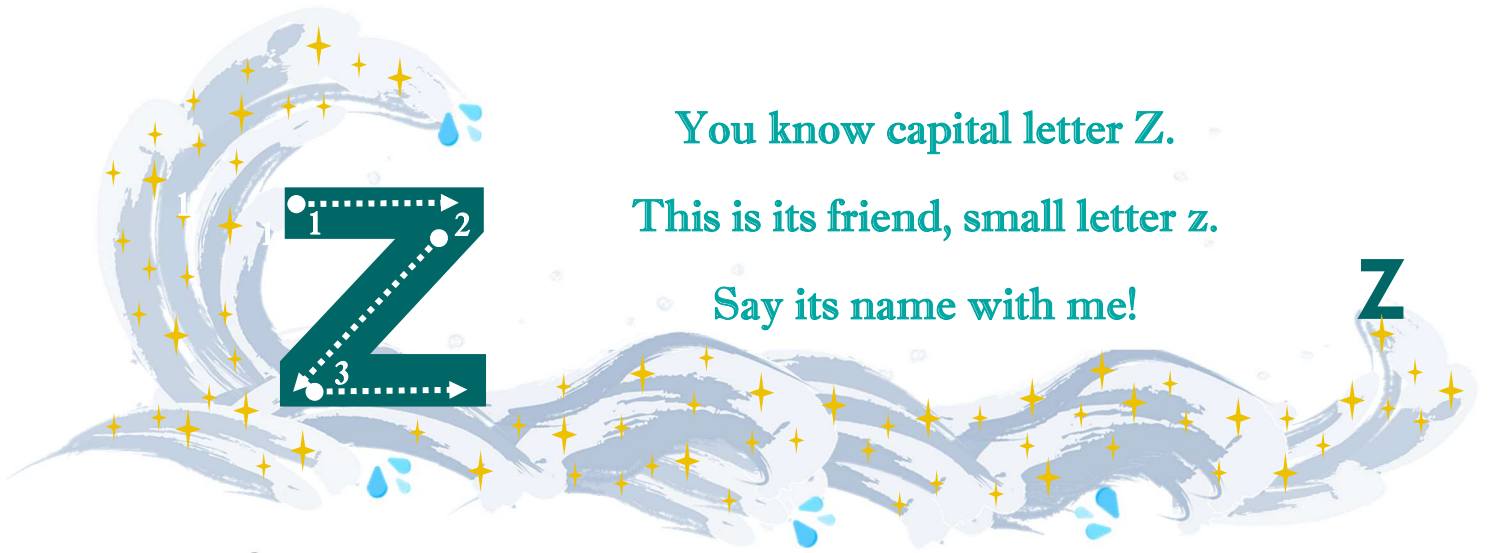

Say its name with me!

Y

Let's learn how to write small letter y. Trace the dots below.

Tracing practice area consisting of five rows of handwriting lines. Each row has a solid top line, a dashed red middle line, and a solid bottom line. The first row contains ten dotted lowercase 'y' characters for tracing. The second row contains ten dotted uppercase 'Y' characters for tracing. The third row contains ten dotted lowercase 'y' characters for tracing. The fourth row contains ten dotted uppercase 'Y' characters for tracing. The fifth row contains ten dotted lowercase 'y' characters for tracing.

You know capital letter Z.

This is its friend, small letter z.

Say its name with me!

Z

Let's learn how to write small letter z. Trace the dots below.

Handwriting practice lines for the letter z. Each row consists of a solid top line, a dashed middle line, and a solid bottom line. The first row is blank. The second row contains a series of small green dashed 'z' characters for tracing. The third row contains a series of small green dashed 'z' characters for tracing. The fourth row contains a series of small green dashed 'z' characters for tracing. The fifth row contains a series of small green dashed 'z' characters for tracing. The sixth row contains a series of small green dashed 'z' characters for tracing. The seventh row contains a series of small green dashed 'z' characters for tracing. The eighth row contains a series of small green dashed 'z' characters for tracing.
