

# The Prewriting Worksheets Series

## Vertical & Horizontal Straight Lines

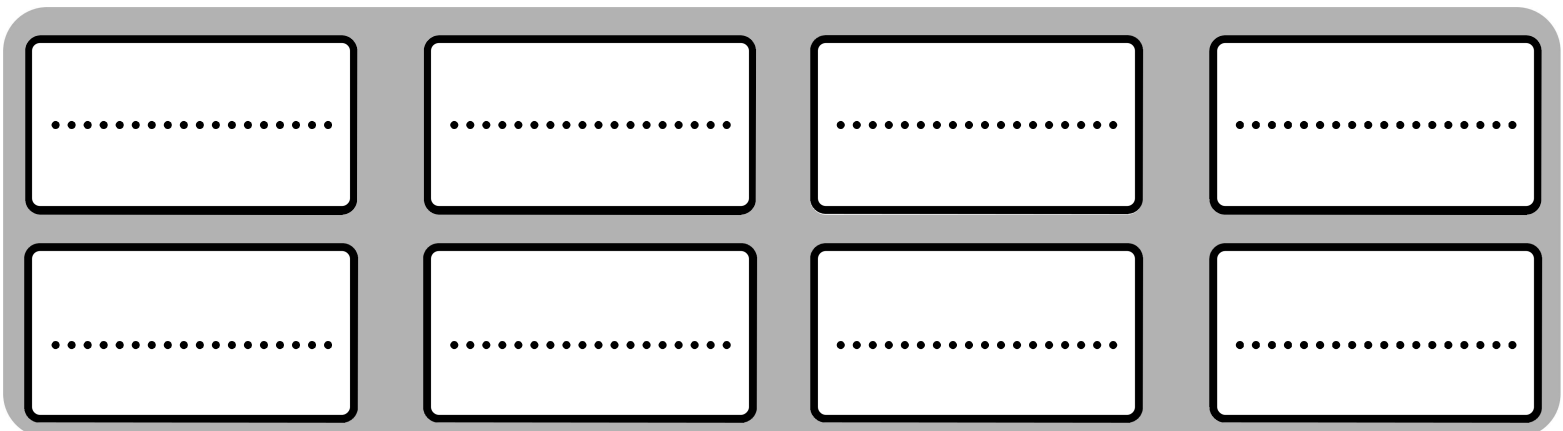

We have learned how to trace these two lines with our pencil. Let's do some more practice!

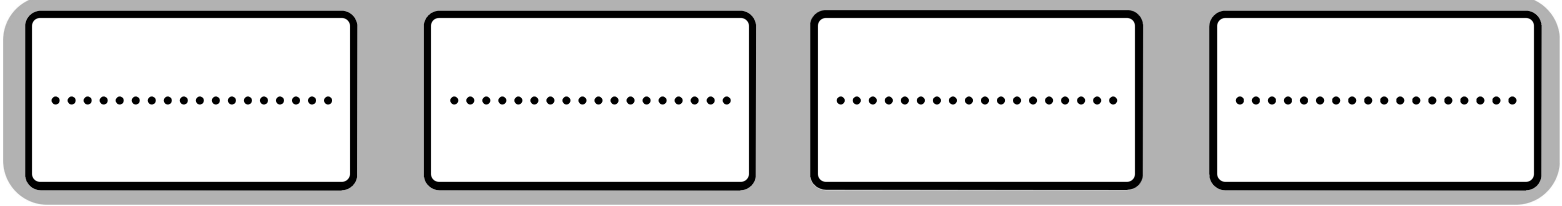

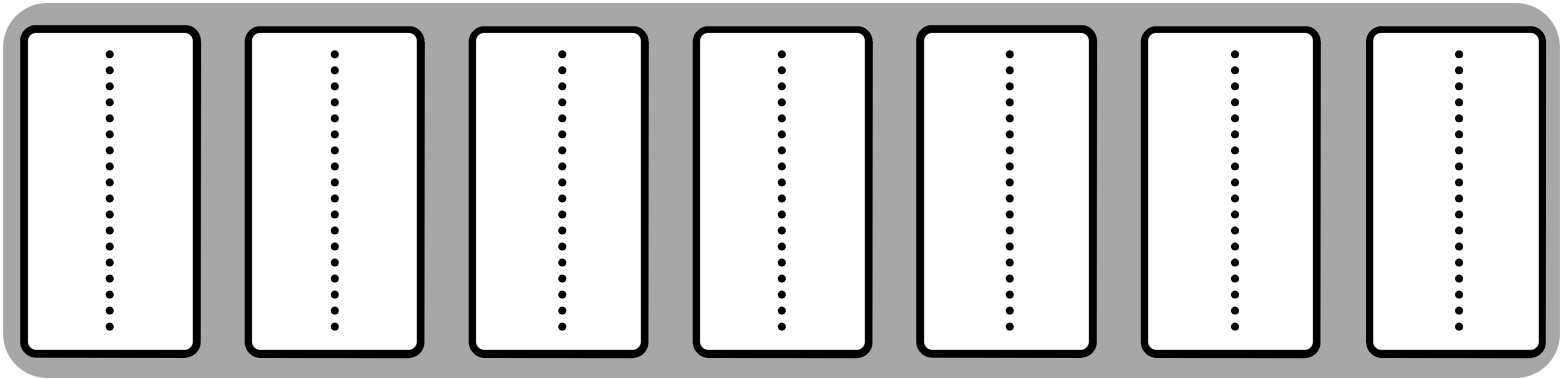

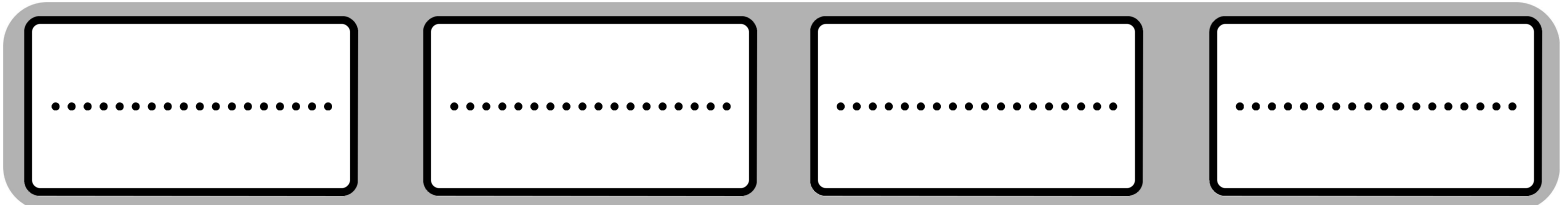

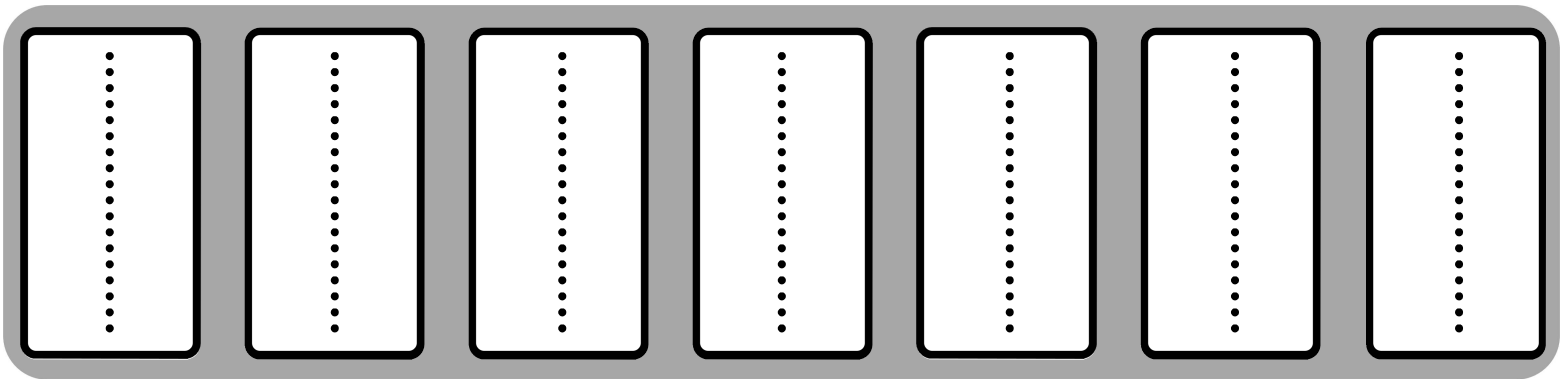

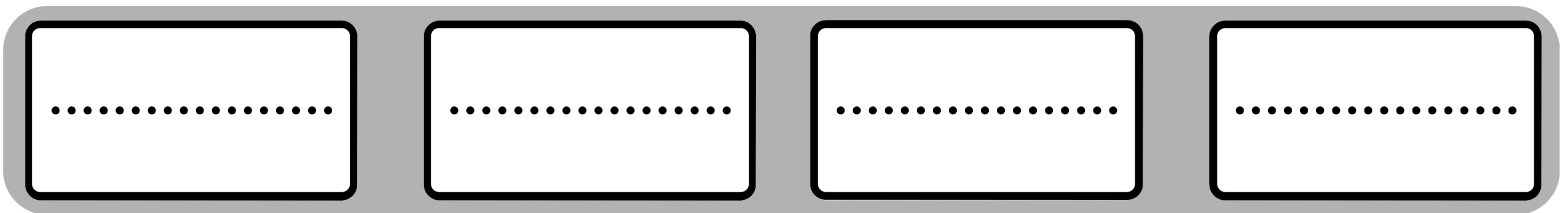

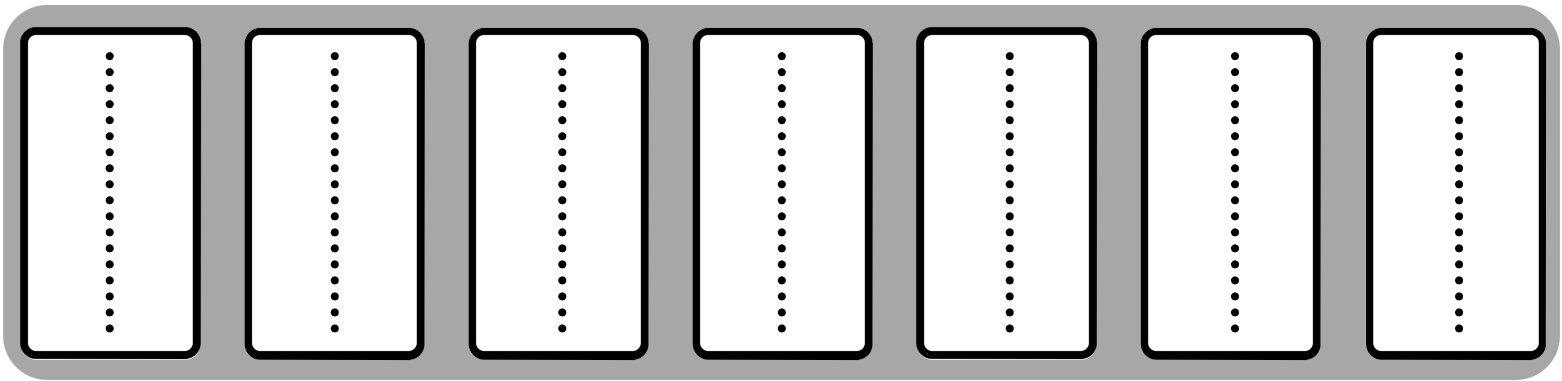

Trace these vertical lines with your pencil. Remember to start at the top and go down.

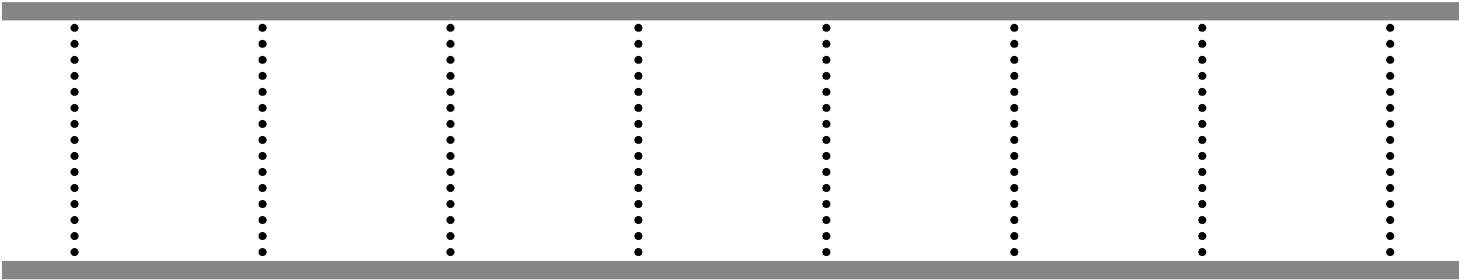

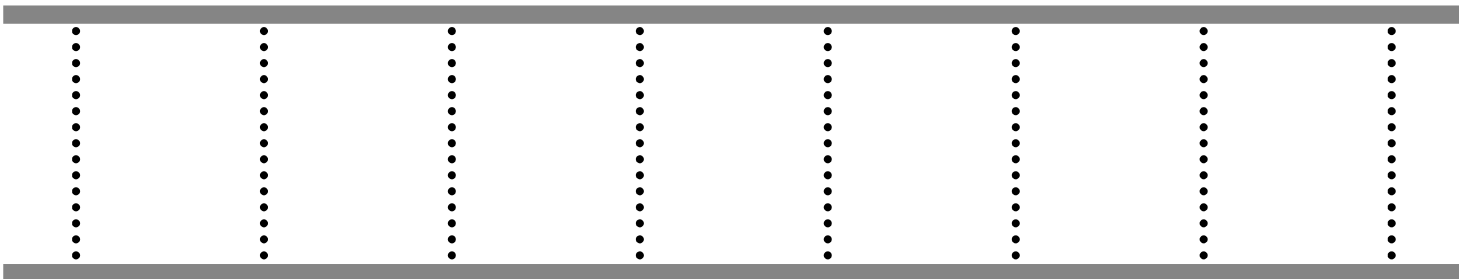

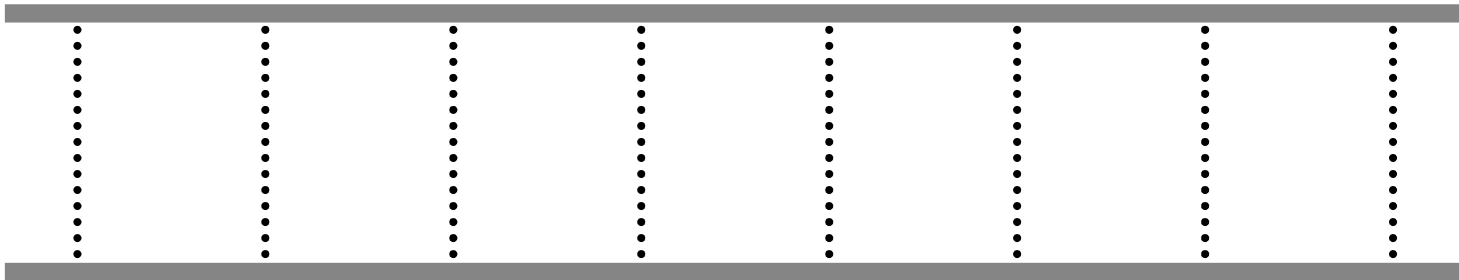

Trace these horizontal lines with your pencil. Remember to start on the left and go to the right.

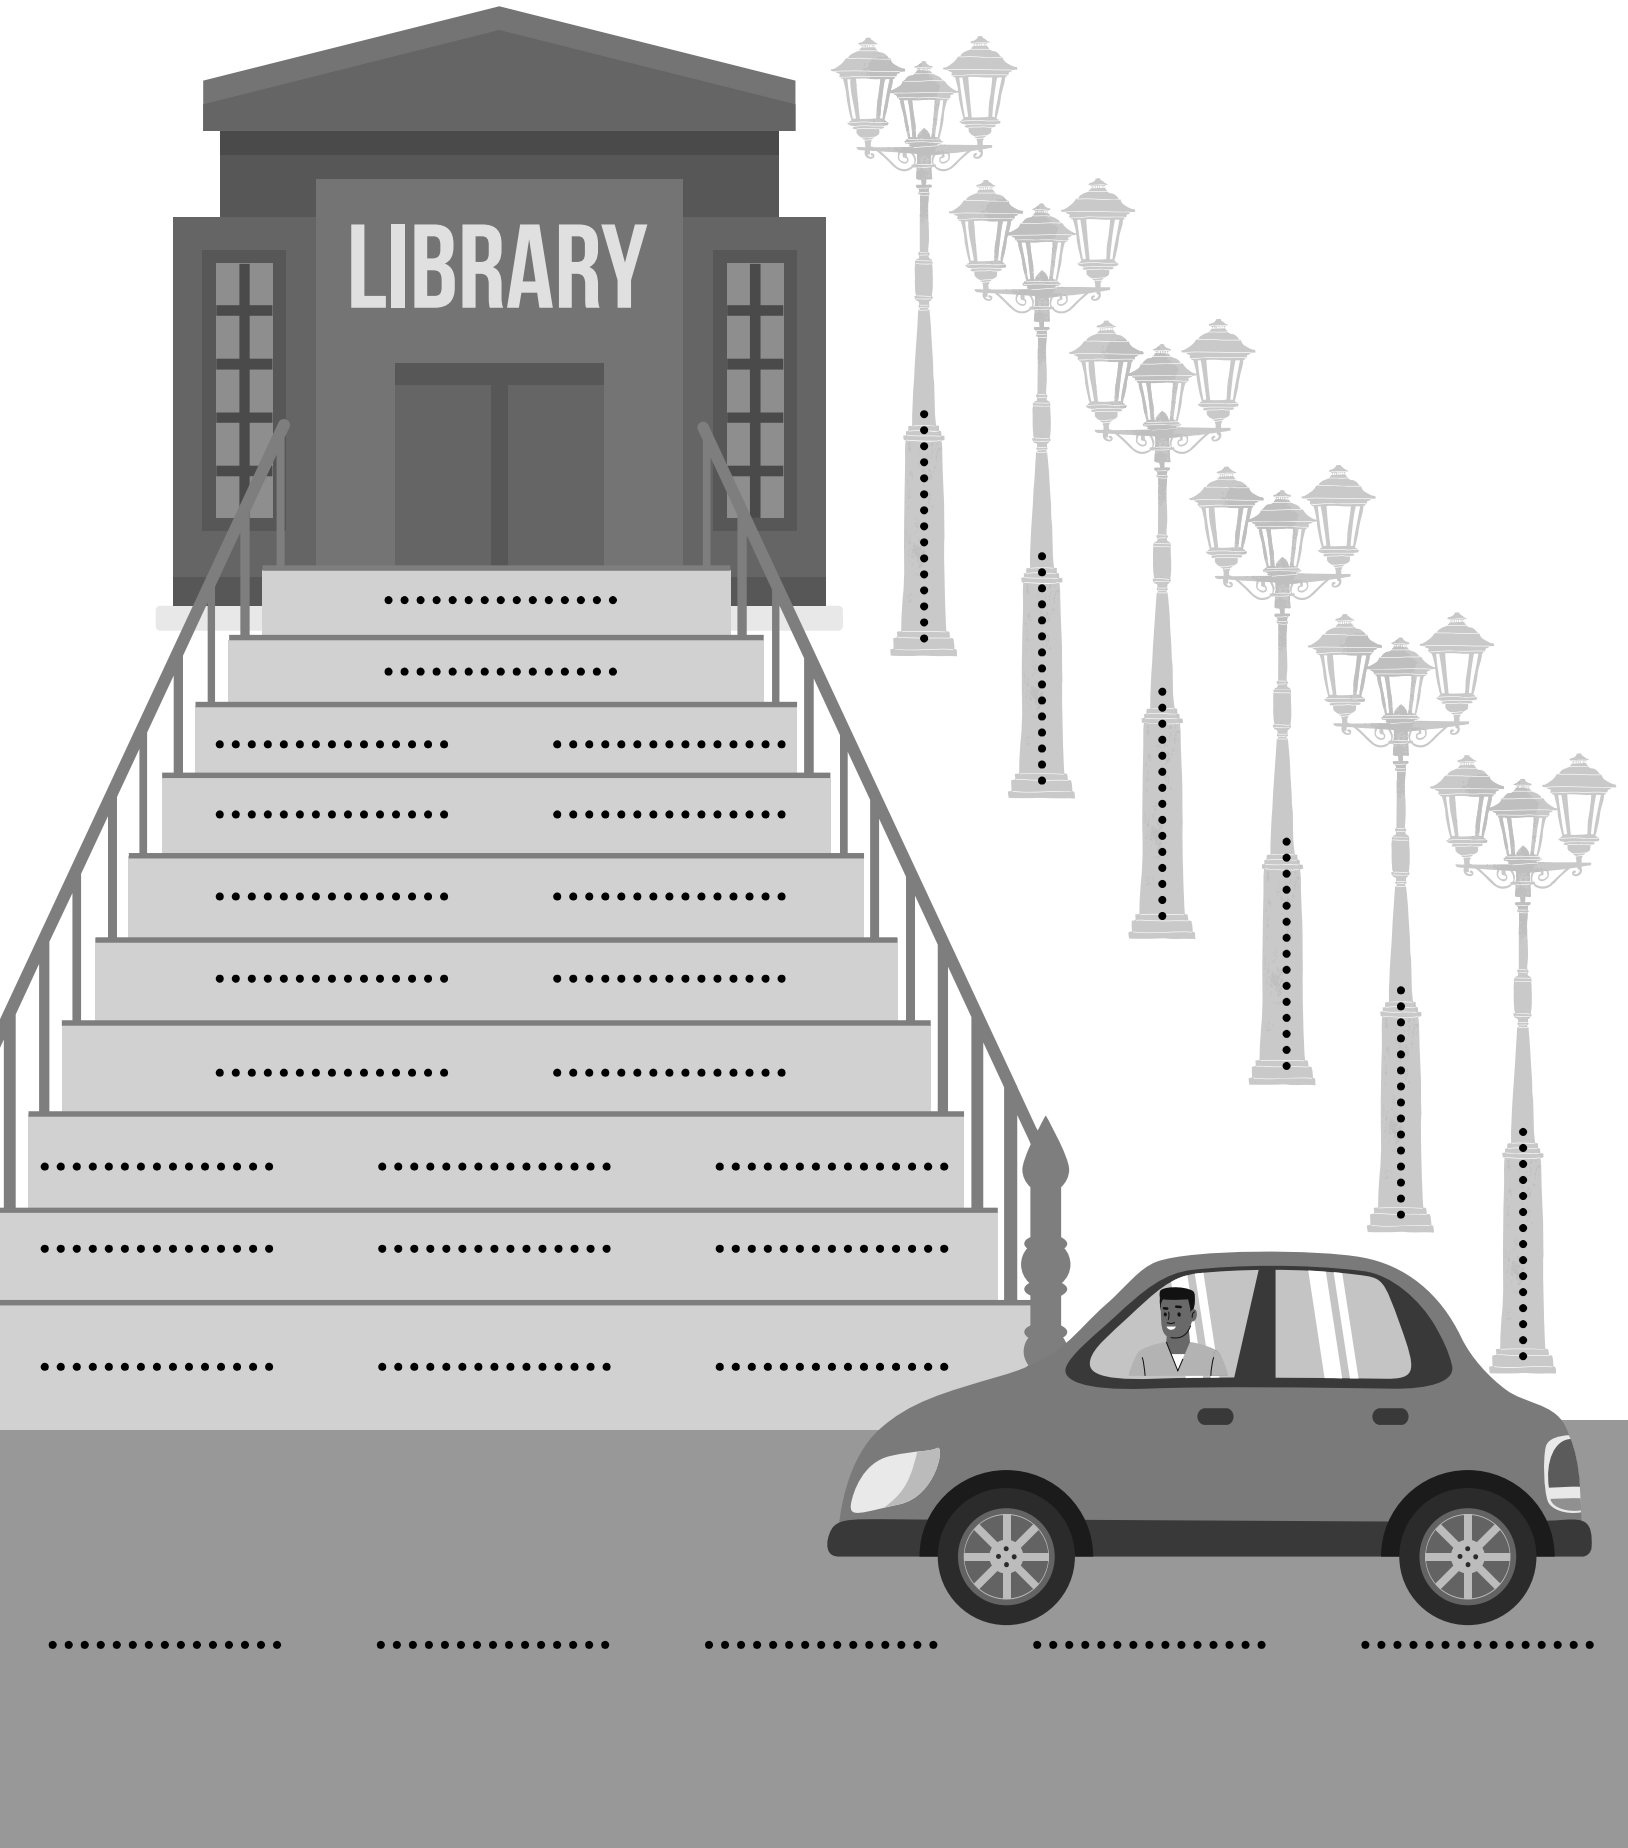

Trace each of the lines below.

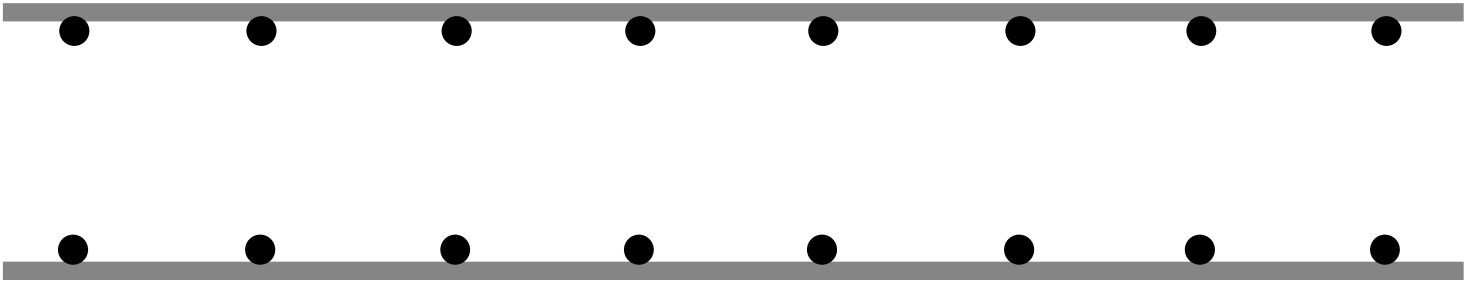

Trace each of the lines below.

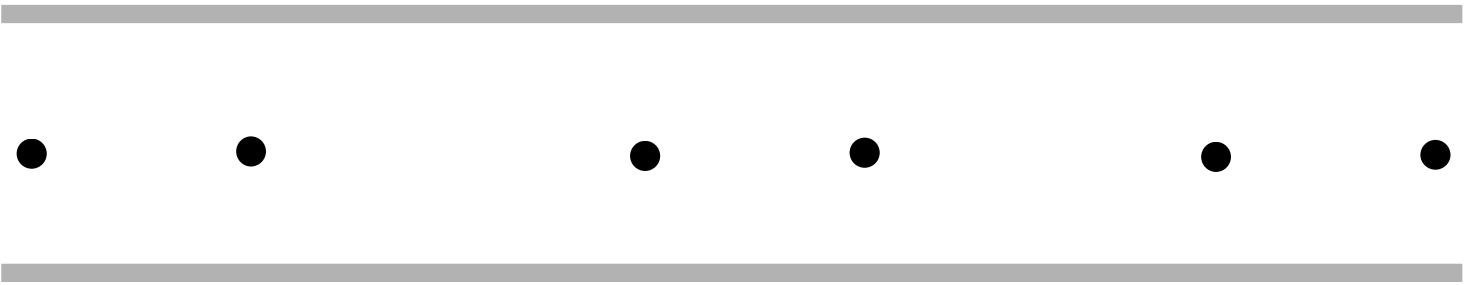

Mr. Pierce can't find the library. Can you help him get there? Trace the lines below.

Draw a line from each top dot to its matching bottom dot.

Draw a line from each left dot to its matching right dot.

Repeat.
